The Fashion Resource

Schedule of Fees and Services

Body & Style Assessment:

Your Image Consultant will conduct an interview to determine your goals for your session. Body type, attributes and challenges are identified as well as your 'fashion personality'. Shopping strategies are discussed. A personalized, in-depth body analysis is mailed to you that will include details on various camouflage techniques, flattering styles and styles to avoid. (*up to 1 hour; cost \$150)

Wardrobe Consultation:

Includes the Body & Style Assessment. In addition, your image consultant will go through the closet with you and based on your wardrobe goals and body type will assist you in sorting through your clothing to determine which are the 'keepers', which will be discarded, and the clothing that is questionable. You and your consultant will then go through the 'keepers' and the questionable clothing to start building your wardrobe capsules. You will also be given a list of recommendations on how to proceed with your shopping needs. (*2 - 4 hours; cost \$250 - \$450)

Personal Shopping:

If you need assistance in building your wardrobe capsules or creating a new look, your Image Consultant is available to provide this service. An interview will be conducted to determine your budget and clothing requirements. An appointment will be made to meet at the shop or shops of your choice and your consultant will then pre-shop and put clothing on hold for you to try on during your scheduled appointment. All you have to do is show up and try the clothes on, all of the browsing and bargain hunting has already been done for you!

(Minimum of 2 hours; cost \$100 per hour)

*if additional time is needed, your consultant will inform you and provide you with an estimate of the additional charges at time of service.
